Failure of this Agreement to contain the zoning classification (except in cases where the property {and each parcel thereof, if subdividable} is zoned solely or primarily to permit single-family dwellings) will render this Agreement voidable at Buyer's option, and, if voided, any deposits tendered by the Buyer will be returned to the Buyer without any requirement for court action.

Zoning Classification, as set forth in the local zoning ordinance: Residential

FIXTURES AND PERSONAL PROPERTY (1-20)

- (A) It is possible for certain items of personal property to be so integrated into the Property that they become fixtures and will be regarded as part of the Property and therefore included in a sale. Buyer and Seller are encouraged to be specific when negotiating what items will be included or excluded in this sale.
- (B) INCLUDED in this sale, unless otherwise stated, are all existing items permanently installed in or on the Property, free of liens, and other items including plumbing; heating; gas fireplace logs; radiator covers; hardwired security systems; thermostats; lighting fixtures (including chandeliers and ceiling fans); pools, spas and hot tubs (including covers and cleaning equipment); electric animal fencing systems (excluding collars); garage door openers and transmitters; mounting brackets and hardware for television and sound equipment; unpotted shrubbery, plantings and trees; smoke detectors and carbon monoxide detectors; sump pumps; storage sheds; fences; mailboxes; wall to wall carpeting; existing window screens, storm windows and screen/storm doors; window covering hardware (including rods and brackets), shades and blinds; awnings; central vacuum system (with attachments); built-in air conditioners; built-in appliances; the range/oven; dishwashers; trash compactors; any remaining heating and cooking fuels stored on the Property at the time of settlement; and, if owned, solar panels, windmills, water treatment systems, propane tanks and satellite dishes. Unless stated otherwise, the following items are included in the sale, at no additional cost: Refrigerator,

electric range, dishwasher, microwave, washer and dryer.

- (C) The following items are not owned by Seller and may be subject to a lease or other financing agreement. Contact the provider/ vendor for more information (e.g., solar panels, windmills, water treatment systems, propane tanks and satellite dishes):
- (D) EXCLUDED fixtures and items:

BUYER FINANCING (8-22)

- (A) Buyer may elect to make this Agreement contingent upon obtaining mortgage financing. Regardless of any contingency elected in this Agreement, if Buyer chooses to obtain mortgage financing, the following apply:
 - Buyer will be in default of this Agreement if Buyer furnishes false information to anyone concerning Buyer's financial and/or employment status, fails to cooperate in good faith with processing the mortgage loan application (including payment for and ordering of appraisal without delay), fails to lock in interest rate(s) as stated below, or otherwise causes the lender to reject, or refuse to approve or issue, a mortgage loan.
 - Within days (7 if not specified) from the Execution Date of this Agreement, Buyer will make a completed mortgage application (including payment for and ordering of credit reports without delay) for the mortgage terms and to the mortgage lender(s) identified in Paragraph 8(F), if any, otherwise to a responsible mortgage lender(s) of Buyer's choice. Broker for Buyer, if any, otherwise Broker for Seller, is authorized to communicate with the mortgage lender(s) to assist in the mortgage loan process. Broker for Seller, if any, is permitted to contact the mortgage lender(s) at any time to determine the status of the mortgage loan application.
 - Seller will provide access to insurers' representatives and, as may be required by the mortgage lender(s), to surveyors, municipal officials, appraisers, and inspectors.
 - If the mortgage lender(s) gives Buyer the right to lock in interest rate(s) at or below the maximum levels desired, Buyer will do so at least 15 DAYS before Settlement Date.
- (B) The Loan-To-Value ratio (LTV) is used by lenders as one tool to help assess their potential risk of a mortgage loan. A particular LTV may be necessary to qualify for certain loans, or buyers might be required to pay additional fees if the LTV exceeds a specific level. The appraised value of the Property may be used by lenders to determine the maximum amount of a mortgage loan. The appraised value is determined by an independent appraiser, subject to the mortgage lender's underwriter review, and may be higher or lower than the Purchase Price and/or market price of the Property.

FHA/VA, IF APPLICABLE

(C) It is expressly agreed that notwithstanding any other provisions of this contract, Buyer will not be obligated to complete the purchase of the Property described herein or to incur any penalty by forfeiture of earnest money deposits or otherwise unless Buyer has been given, in accordance with HUD/FHA or VA requirements, a written statement by the Federal Housing Commissioner, Veterans Administration, or a Direct Endorsement Lender setting forth the appraised value of the Property of not less than (the Purchase Price as stated in this Agreement). Buyer will have the privilege and option of proceeding with consummation of the contract without regard to the amount of the appraised valuation. The appraised valuation is arrived at to determine the maximum mortgage the Department of Housing and Urban Development will insure. HUD does not warrant the value nor the condition of the Property. Buyer should satisfy himself/herself that the price and condition of the Property are acceptable.

Warning: Section 1010 of Title 18, U.S.C., Department of Housing and Urban Development and Federal Housing Administration Transactions, provides, "Whoever for the purpose of influencing in any way the action of such Department, makes, passes, utters or publishes any statement, knowing the same to be false shall be fined under this title or imprisoned not more than two years, or both."

Radon

Elected

Buyer may obtain a radon test of the Property from a certified inspector. The U.S. Environmental Protection Agency (EPA) advises corrective action if the average annual exposure to radon is equal to or higher than 0.02 working levels or 4 picoCuries/liter (4pCi/L). Radon is a natural, radioactive gas that is produced in the ground by the normal decay of uranium and radium. Studies indicate that extended exposure to high levels of radon gas can increase the risk of lung cancer. Radon can find its way into any air-space and can permeate a structure. If a house has a radon problem, it usually can be cured by increased ventilation and/or by preventing radon entry. Any person who tests, mitigates or safeguards a building for radon in Pennsylvania must be certified by the Department of Environmental Protection. Information about radon and about certified testing or mitigation firms is available through Department of Environmental Protection, Bureau of Radiation Protection, 13th Floor, Rachel Carson State Office Building, P.O. Box 8469, Harrisburg, PA 17105-8469, (800) 23RADON or (717) 783-3594. www.epa.gov

The Proposal may, but is not required to, include the name(s) of a properly licensed or qualified professional(s) to perform the corrections requested in the Proposal, provisions for payment, including retests, and a projected date for completion of the corrections. 19. HOME WARRANTIES (1-10)

At or before settlement, either party may purchase a home warranty for the Property from a third-party vendor. Buyer and Seller understand that a home warranty for the Property does not alter any disclosure requirements of Seller, will not cover or warrant any pre-existing defects of the Property, and will not alter, waive or extend any provisions of this Agreement regarding inspections or certifications that Buyer has elected or waived as part of this Agreement. Buyer and Seller understand that a broker who recommends a home warranty may have a business relationship with the home warranty company that provides a financial benefit to the broker.

20. RECORDING (9-05)

21. ASSIGNMENT (1-10)

This Agreement is binding upon the parties, their heirs, personal representatives, guardians and successors, and to the extent assignable, on the assigns of the parties hereto. Buyer will not transfer or assign this Agreement without the written consent of Seller unless otherwise stated in this Agreement. Assignment of this Agreement may result in additional transfer taxes.

22. GOVERNING LAW, VENUE AND PERSONAL JURISDICTION (9-05)

- (A) The validity and construction of this Agreement, and the rights and duties of the parties, will be governed in accordance with the laws of the Commonwealth of Pennsylvania.
- (B) The parties agree that any dispute, controversy or claim arising under or in connection with this Agreement or its performance by either party submitted to a court shall be filed exclusively by and in the state or federal courts sitting in the Commonwealth of Pennsylvania.

23. FOREIGN INVESTMENT IN REAL PROPERTY TAX ACT OF 1980 (FIRPTA) (1-17)

The disposition of a U.S. real property interest by a foreign person (the transferor) is subject to the Foreign Investment in Real Property Tax Act of 1980 (FIRPTA) income tax withholding. FIRPTA authorized the United States to tax foreign persons on dispositions of U.S. real property interests. This includes but is not limited to a sale or exchange, liquidation, redemption, gift, transfers, etc. Persons purchasing U.S. real property interests (transferee) from foreign persons, certain purchasers' agents, and settlement officers are required to withhold up to 15 percent of the amount realized (special rules for foreign corporations). Withholding is intended to ensure U.S. taxation of gains realized on disposition of such interests. The transferee/Buyer is the withholding agent. If you are the transferee/Buyer you must find out if the transferor is a foreign person as defined by the Act. If the transferor is a foreign person and you fail to withhold, you may be held liable for the tax.

24. NOTICE REGARDING CONVICTED SEX OFFENDERS (MEGAN'S LAW) (4-14)

The Pennsylvania General Assembly has passed legislation (often referred to as "Megan's Law," 42 Pa.C.S. § 9791 et seq.) providing for community notification of the presence of certain convicted sex offenders. Buyers are encouraged to contact the municipal police department or the Pennsylvania State Police for information relating to the presence of sex offenders near a particular property, or to check the information on the Pennsylvania State Police Web site at www.pameganslaw.state.pa.us.

25 REPRESENTATIONS (1-10)

- (A) All representations, claims, advertising, promotional activities, brochures or plans of any kind made by Seller, Brokers, their licensees, employees, officers or partners are not a part of this Agreement unless expressly incorporated or stated in this Agreement. This Agreement contains the whole agreement between Seller and Buyer, and there are no other terms, obligations, covenants, representations, statements or conditions, oral or otherwise, of any kind whatsoever concerning this sale. This Agreement will not be altered, amended, changed or modified except in writing executed by the parties.
- (B) Unless otherwise stated in this Agreement, **Buyer has inspected the Property** (including fixtures and any personal property specifically listed herein) **before signing this Agreement or has waived the right to do so, and agrees to purchase the Property IN ITS PRESENT CONDITION**, subject to inspection contingencies elected in this Agreement. Buyer acknowledges that Brokers, their licensees, employees, officers or partners have not made an independent examination or determination of the structural soundness of the Property, the age or condition of the components, environmental conditions, the permitted uses, nor of conditions existing in the locale where the Property is situated; nor have they made a mechanical inspection of any of the systems contained therein.
- (C) Any repairs required by this Agreement will be completed in a workmanlike manner.
- (D) Broker(s) have provided or may provide services to assist unrepresented parties in complying with this Agreement.

26. DEFAULT, TERMINATION AND RETURN OF DEPOSITS (1-18)

- (A) Where Buyer terminates this Agreement pursuant to any right granted by this Agreement, Buyer will be entitled to a return of all deposit monies paid on account of Purchase Price pursuant to the terms of Paragraph 26(B), and this Agreement will be VOID. Termination of this Agreement may occur for other reasons giving rise to claims by Buyer and/or Seller for the deposit monies.
- (B) Regardless of the apparent entitlement to deposit monies, Pennsylvania law does not allow a Broker holding deposit monies to determine who is entitled to the deposit monies when settlement does not occur. Broker can only release the deposit monies:
 - 1. If this Agreement is terminated prior to settlement and there is no dispute over entitlement to the deposit monies. A written agreement signed by both parties is evidence that there is no dispute regarding deposit monies.
 - 2. If, after Broker has received deposit monies, Broker receives a written agreement that is signed by Buyer and Seller, directing Broker how to distribute some or all of the deposit monies.
 - 3. According to the terms of a final order of court.
 - 4. According to the terms of a prior written agreement between Buyer and Seller that directs the Broker how to distribute the deposit monies if there is a dispute between the parties that is not resolved. (See Paragraph 26(C))

- (C) Buyer and Seller agree that if there is a dispute over the entitlement to deposit monies that is unresolved 30 days (180 if not specified) after the Settlement Date stated in Paragraph 4(A) (or any written extensions thereof) or following termination of the Agreement, whichever is earlier, then the Broker holding the deposit monies will, within 30 days of receipt of Buyer's written request, distribute the deposit monies to Buyer unless the Broker is in receipt of verifiable written notice that the dispute is the subject of litigation or mediation. If Broker has received verifiable written notice of litigation or mediation prior to the receipt of Buyer's request for distribution, Broker will continue to hold the deposit monies until receipt of a written distribution agreement between Buyer and Seller or a final court order. Buyer and Seller are advised to initiate litigation or mediation for any portion of the deposit monies prior to any distribution made by Broker pursuant to this paragraph. Buyer and Seller agree that the distribution of deposit monies based upon the passage of time does not legally determine entitlement to deposit monies, and that the parties maintain their legal rights to pursue litigation even after a distribution is made.
- (D) Buyer and Seller agree that a Broker who holds or distributes deposit monies pursuant to the terms of Paragraph 26 or Pennsylvania law will not be liable. Buyer and Seller agree that if any Broker or affiliated licensee is named in litigation regarding deposit monies, the attorneys' fees and costs of the Broker(s) and licensee(s) will be paid by the party naming them in litigation.

- (F) Unless otherwise checked in Paragraph 26(G), Seller may elect to retain those sums paid by Buyer, including deposit monies:
 - . On account of purchase price, OR
 - 2. As monies to be applied to Seller's damages, OR
 - As liquidated damages for such default.
- (G) X SELLER IS LIMITED TO RETAINING THOSE SUMS PAID BY BUYER, INCLUDING DEPOSIT MONIES, AS LIQUIDATED DAMAGES.
- (H) If Seller retains all sums paid by Buyer, including deposit monies, as liquidated damages pursuant to Paragraph 26(F) or (G), Buyer and Seller are released from further liability or obligation and this Agreement is VOID.
- (I) Brokers and licensees are not responsible for unpaid deposits.

27. MEDIATION (7-20)

Buyer and Seller will submit all disputes or claims that arise from this Agreement, including disputes and claims over deposit monies, to mediation. Mediation will be conducted in accordance with the Rules and Procedures of the Home Sellers/Home Buyers Dispute Resolution System, unless it is not available, in which case Buyer and Seller will mediate according to the terms of the mediation system offered or endorsed by the local Association of Realtors®. Mediation fees, contained in the mediator's fee schedule, will be divided equally among the parties and will be paid before the mediation conference. Legal proceedings may be initiated prior to the completion of the mediation process to stop any statute of limitations from expiring and for the purpose of indexing a lis pendens by Buyer to prevent the transfer of title to a third party when Buyer is seeking to purchase the Property. The parties agree that all proceedings shall be stayed until the completion of mediation and that a court of competent jurisdiction may award attorneys' fees to the prevailing party should the court find that a party has unreasonably breached this provision or acted in bad faith. Any agreement reached through mediation and signed by the parties will be binding. Any agreement to mediate disputes or claims arising from this Agreement will survive settlement.

This release will survive settlement.
